The Friends of Scouting Dinner is the Council's primary means to raise the funds needed to support and grow Scout programs for nearly 17,000 Scouts and adult volunteers across 24 counties and 4 cities in central Virginia. During the dinner, you will have an opportunity to make a pledge to support Scouting in 2018.

The minimum pledge to attend the dinner is \$250 per person, which is the cost to support one Scout for a year, and many of the attendees make generous contributions at the Eagle Society level of \$1,000 or more. Eagle Society members are invited to the VIP reception preceding the dinner, and will be recognized in the annual report and throughout the year.

Thank you for your generous support and we look forward to seeing you February 22nd.

A non-profit, The Heart of Virginia Council raises more than 41% of its operating budget from individuals who care to provide Scouting's values-based programs to all interested youth, including at-risk youth through the Scoutreach program, regardless of their ability to pay.

Thank you.
