**Prepared. For Golf.
Prepared. For Life.**

MISSION

With your help, Scouting's programs and outdoor adventures can prepare young people for a lifetime of character and leadership. Scouting builds better young people and better communities. Your support can make a real difference in the life of a boy.

Your support can help Prepare him For Life!

Many Scouts accomplish more before the age of 18 than some do in a lifetime. Former Scouts lead global corporations, protect our country's freedoms, and go hiking on the moon. The life lessons boys learn in Scouting help Prepare them for Life. By simply playing a round of golf, you are investing in the future of our community and country.

We invite you to join us for this year's tournament.

THE INVITATION

Boy Scouts of America Heart of Virginia Council's premier charity golf event, The Tournament of Eagles, will be held at The Country Club of Virginia on Monday, May 15, 2017. Golfers of all skill levels are invited to participate in this Captain's Choice formatted event. All proceeds go to support Scouting locally, so select a team, enter the competition, and support Scouting in your community. It's a round of golf for you, adventures of a lifetime for a boy.
